House 3520 Mourières

Don't miss this great opportunity we're offering: a charming detached house located in the heart of Mourières, in the countryside. The house covers an area of 130m², in addition to a 3000m² plot. Benefiting from a southern exposure, the house invites the sun into its 29m² living room. Its fitted open-plan kitchen accentuates its convivial side. Built in 1978, it has been renovated and includes reversible air conditioning, 3 bedrooms, 1 bathroom, 1 shower room, and 1 toilet. Outside, the terrace overlooks the garden and opens onto the parking areas and a cellar. Various amenities complete the property: an automatic gate, a borehole, and a septic tank. The general condition needs updating, to make it your cozy nest. Possibility of building a swimming pool.
